SA Metro – Towing Only – Accident Damage											
Tow trucks are dispatched to road crashes in the greater metropolitan area of Adelaide through the accident towing roster scheme.											
Members of the public should call a tow truck to attend a road crash in Adelaide on telephone (08) 8231 5555. This telephone number is printed on the rear of the vehicle registration label. The telephone operator will request the next available tow truck on the roster to attend the scene. The operator does not choose which tow truck service will be sent.											
The scheme was introduced in 1984 to provide safe, orderly and efficient removal of vehicles from crashes in the Adelaide metropolitan area. It prevents more than one operator attending to a crash and ensures the driver can choose where their vehicle is to be towed.
