SA Metro – Towing Only – Accident Damage	(08) 8231 5555
<p>Tow trucks are dispatched to road crashes in the greater metropolitan area of Adelaide through the accident towing roster scheme.</p> <p>Members of the public should call a tow truck to attend a road crash in Adelaide on telephone (08) 8231 5555. This telephone number is printed on the rear of the vehicle registration label.</p> <p>The telephone operator will request the next available tow truck on the roster to attend the scene. The operator does not choose which tow truck service will be sent.</p> <p>The scheme was introduced in 1984 to provide safe, orderly and efficient removal of vehicles from crashes in the Adelaide metropolitan area.</p> <p>It prevents more than one operator attending to a crash and ensures the driver can choose where their vehicle is to be towed.</p>
